

GIVING TUESDAY THROUGH DECEMBER 31<sup>ST</sup>:

# THE IMPACT OF YEAR-END GIVING

## CHOOSE INDEPENDENCE EMPOWERMENT CENTER ON GIVING TUESDAY!

Whether it's a new family frightened beyond belief by their new baby's sudden seizures; a grade schooler with cerebral palsy who wants to play sports; a young teen with a learning disability who wants to go to college; or an aged member of our community with mobility issues who does not want to go to a nursing home, we will work with that person or those families to see that their goals are met. Maybe not in the way they first envisioned, but in a way that works for them, and the goals are accomplished with their involvement, every step of the way.

Independence Empowerment Center is our community's only one stop Center for disability information, referrals and services for those of all ages and with any type of disability, no matter the severity of that disability or the length of time they have had it.
